

Dinamizarea si eficientizarea sectorului serviciilor - conditie a dezvoltarii economice si integrarii in structurile europene

Cecilia POP - Universitatea "Petre Andrei" Iasi
P. MAGAZIN, I. M. POP - USAMV Iasi

Romania begins the road of the integration in the West-European structures with a serious handicap generated by the state of underdevelopment of its services sector. Through the themes of this study we proposed ourselves to identify some possible ways for the dynamisation and efficiency increase of this sector.
