

## Aprecieri asupra clasificării structurilor de primire turistice și a calității serviciilor prestate

POP Cecilia - Universitatea "Petre Andrei" Iași

The classification of the touristic structures of reception has as its main purpose the protection of the tourist consumers through a synthetically presentation and in a codified way of the level of comfort and the quality of the services performed. There are some appreciation in the study regarding the way in which these aspects can be seen in the specific regulations.
