

UNELE OBSERVAȚII PRIVIND PRIMUL DICȚIONAR  
GERMAN-ROMÂN DE ECONOMIE AGRARĂ (2001)  
SOME OBSERVATIONS ON THE FIRST GERMAN-ROMANIAN  
DICTIONARY OF AGRICULTURAL ECONOMICS (2001)

AVARVAREI Simona Catrinel - USAMV Iasi

The aim of this paper is to look into the inner mechanism of the very complex dictionary-building phenomenon. Approaching the field of agricultura economics requires genuine linguistic abilities as well as a sound logic, two ingredients wonderfully mastered by the authors of the German – Romanian dictionary.
