

SUSȚINEREA FINANCIARĂ A BUSINESSULUI MIC ÎN SECTORUL AGRAR LA ETAPA ACTUALĂ FINANCIAL SUPPORT FOR SMALL BUSINESS IN THE AGRICULTURAL SECTOR IN PRESENT

Galina ULIAN, Mariana DOGA-MÎRZAC - Universitatea de Stat din Moldova

The fiscal policy and it's mechanism is an important state instrument. Through it, the state regulates the activity of thenational economz and of the farming area. The activity analyses in the farming area shows us that the main producers of this area are the farmers and the population auxiliar house holders. The financing of agriculture from private sources is an essential support for this economic branch development. Also it represents an important factor for the inssurance of the investitional cash flow.
