

PROFESORUL DIRIGINTE CA MANAGER AL CLASEI DE ELEVI PROFESSOR ENGINEER AS THE MANAGER OF A SCHOOL CLASS

Carmen-Olguța BREZULEANU - USAMV Iași

The educational process is a form of socialization, culture, shaping and development of personality performed by the didactic team. These purposes are mainly carried out within the framework provided by a classroom of pupils guided by the form master, its mentor and organizer. The part of the form master as manager of a classroom of pupils implies utmost responsibility for the educational process stresses upon the growing personalities of children and teen-agers.
