BERNARD SHAW'S PLAYS  
ELEMENTE SATIRICE SI COMICE IN PIESA IN GEORGE  
BERNARD SHAW'S

POPA Gabriela, BĂNICĂ Cerasela - University "Valahia" of Târgoviște

Shaw's comedies (discussion plays) reveal his fearless criticism, his zeal of a social reformer, as well as his caustic wit and brilliant handling of paradoxes. His main quality is in fact his ability of making people think by compelling them to laugh.
