

BLENDING AND BACK FORMATION AND THEIR  
CONTRIBUTION TO THE DEVELOPMENT OF THE  
AMERICAN LANGUAGE  
AMESTECAREA ȘI REFORMAREA  
CONTRIBUȚIA LOR LA DEZVOLTAREA LIMBII AMERICANE

POPA Gabriela, BĂNICĂ Cerasela - University "Valahia" of Târgoviște

The development of a language is a continuous process, which uses different lexical tools. Among them, blending and back formation are specific to the American English language particularly, so that many new words came into being and are in general use in nowadays American English
