

Structura fondului funciar a podisului Sucevei cu referire speciala la compartimentul de sud

C. ROSCA - D.A.D.R. Iasi

The paper work presents some aspects concerning the structure of the territorial fund of the Suceava Plateau from administrative and agricultural land point of view. Thus, the South Compartment of the Suceva Plateau presents eight agro economical micro zones. The South Compartment is lying on two counties (Suceva and Iași) and is comprising three towns and 39 villages with particular territorial structure.
