

**Dear Partner,**

We hope you are doing great during this time full of changes and challenges.

Vilniaus kolegija/University of Applied Sciences would like to confirm the choice to welcome international exchange students for 2021 Spring semester:

- So far we are planning to organise face-to-face classes for the students, however all academical staff is already fully prepared to switch to online classes if that would be required by the government in order to ensure students' safety;
- The courses list is already presented and can be found on our webpage, via [this link](#);
- We will wait for students nominations via our online [Nomination](#) Form until November 1<sup>st</sup> and for further students' documents until November 30<sup>th</sup>. All the information regarding required documents can be found via the [link](#) provided;
- While joining Erasmus without paper initiative, we would love to receive students' [online learning agreements](#) via [Erasmus dashboard](#).

All nominated students will be contacted and informed regarding further procedures.

Warm greetings from Vilniaus kolegija/University of Applied Sciences!

Šilti linkėjimai/Warm Regards,

Vaiva Chockevičiūtė
