

Dear Partners,

This letter is to confirm Vilniaus kolegija/University of Applied Sciences is now waiting for your Erasmus exchange nominations for the Spring semester. Please note the nominations are accepted only via [Online Nomination form](#) and we are looking forward to receive your nominations up until May 1st .

We will wait for required documents from the students until May 31st . All information towards documentation procedure can be found via [this link](#).

Despite all the challenges, we really hope to come back to usual face-to-face format for the lectures next academic year. It's been a challenging year for all of us, but we have no doubt all the lessons learned made us stronger and helped us to improve some well needed skills.

Warm greetings from Lithuania!
