

## **Nominations for Fall semester are still open!**

Dear Partners,

Greetings from Lille!

### **We wanted to let you know that nominations for exchange are open until May 15.**

Students can join us in any of our four areas of study:  
[Agricultural Science](#), [Environmental Science](#), [Food Science](#)  
or [Agricultural Economics, Marketing and Management](#)

All our programs are available for study in **French, English** or a mix of **both!**

Students may even mix courses from different subjects to create  
a personalized study program to meet their unique interests and academic goals.

Follow the links to our website, where you can find all the details about  
course content, our academic calendar, and [how to apply](#).

Find out more at our [website](#), or contact us directly at [isa.international@yncrea.fr](mailto:isa.international@yncrea.fr)  
We look forward to welcoming your students next year!
