

Dear partner,

We want to reassure you that we will be flexible as regards to nomination and application procedures for exchange students for the upcoming autumn semester. We still accept nominations as usual. Our nomination deadline is mid-April. If you need an extended deadline, we are flexible in the light of the current situation. We will also continue to provide all nominated students so far with application information and support in the usual way. Together with you, we hope next academic year can start in a regular way, allowing us to welcome students in September.

Thank you for the updates we receive from many of you as well and for your continued support and collaboration during this difficult time.

Best regards,
Frederik De Decker
