2. If you have an insurance from your official government insurance institution and if that institution has an agreement with Social Security Institution (SGK) in Turkey, you can take advantage of this agreement. To take advantage of this agreement you should check this website <http://www.sgk.gov.tr/wps/portal/en/english> and you should get information from your own official government institution.

If these two countries have an insurance agreement and your health insurance is suitable for the conditions that our Social Security Institution (SGK) determined, you can demand this document from SGK and apply for residence permit.
