

French Language (IInd Year of study, IIIrd Semester)

Credit value (ECTS) 1

Course category

Optional

Course holder:

Lect. Dr. Elena VELESCU

Discipline objectives (seminar)

The seminars seek to understand isolated sentences and expressions usually used in connection with the domains of immediate priority (personal information or familial, purchases, environment, work). The student will be capable to communicate in simple and usual situations, which require only an information exchange, simple and direct, on familiar and usual topics. He can describe with simple means his family, his environment and talk about familiar topics which answer to the immediate needs. In writing, the student can write a very simple personal letter.
