The screenshot displays the UAIASI.RO WebMail interface. The browser window title is "UAIASI.RO WebMail" and the address bar shows "https://webmail.uaiasi.ro/webmail/src/webmail.php". The interface includes a navigation menu with "Compose", "Addresses", "Folders", "Options", "Search", "Help", and "Auto Response". A red arrow points to the "Options" link. Below the navigation menu, there is a "Toggle All" link and a "Move Selected To:" section with a dropdown menu set to "INBOX" and "Move" and "Forward" buttons. The main content area shows a list of emails with columns for "From", "Received", and "Subject". A "Toggle All" link is also present at the bottom of the email list.

Personal Information
This contains personal information about yourself such as your name, your email address, etc.

Message Highlighting
Based upon given criteria, incoming messages can have different background colors in the message list. This helps to easily distinguish who the messages are from, especially for mailing lists.

Index Order
The order of the message index can be rearranged and changed to contain the headers in any order you want.

SpellChecker Options
Here you may set up how your personal dictionary is stored, edit it, or choose which languages should be available to you when spell-checking.
