LISTĂ DE LUCRĂRI PUBLICATE

1. **BURLACU(Arsene) Mădălina – Cristina**, LEONTE C., MORARIU A., CALISTRU A., SIMIONIUC D., 2010: Researches regarding the analysis of the factors that influence embryogenesis in microspore cultures of *Brassica napus*. *Lucrari Stiintifice U.S.A.M.V. Iasi* , vol 53, nr 1, 36-39;
2. **BURLACU (Arsene), Mădălina – Cristina**, CALISTRU A., LEONTE C., 2011: Evaluation of the genetic diversity among some oilseed rape *Brassica napus* cultivars revealed by RAPD markers compared with morphological traits evaluation., *Lucrari Stiintifice U.S.A.M.V. Iasi* , vol 54, nr 1.
3. LEONTE C., **BURLACU (ARSENE) M.**, SIMIONIUC D., VATAVU R., CALISTRU A., 2010: Evaluation of the genetic similarity of some *Brassica naspus* cultivars using RAPD markers, *Enviromental Engineering and Management Journal*, 9.
4. **BURLACU(Arsene) Mădălina – Cristina**, LEONTE C., LIPSA F., LAZARESCU E., 2012- Rezultate preliminare privind testarea virulentei unor tulpini de *Verticillium longisporum* la *Brassica napus*, *Revista "Lucrari Stiintifice"*, vol 55, pag 561-567, Seria Horticultura, Iasi;
5. **BURLACU (Arsene) Madalina-Cristina**, LEONTE C., LIPSA F., SIMIONIUC D., LAZARESCU E., 2012 - Identification of some oilseed rape cultivars of *Brassica napus* with resistance at *Verticillium longisporum*, *Research Journal of Argicultura science*, vol. 44, pag 14-18, Timisoara.
6. SIMIONIUC D., **BURLACU (ARSENE) Madalina – Cristina**, MORARIU Aliona si LIPSA.F, 2010- Induction of the embryogenesis process in anther and microspores cultures at the *Lupinus albus* species, . *Lucrari Stiintifice U.S.A.M.V. Iasi* , vol 53, nr 1, 36-39;
7. LAZĂR (NECHITA) Adriana, LEONTE C., **BURLACU (ARSENE) Madalina-Cristina**, 2011 -Determinarea diversitatii genetice a unor hibrizi comerciali de floarea-soarelui prin analiza RAPD, *Revista "Lucrari Stiintifice"*, vol 54, pag 53-58, Seria Horticultura, Iasi;
