

LISTA LUCRĂRILOR PUBLICATE

- 1. Gina-Mihaela Pricope**, Viorel Floriștean, Mihai Carp-Cărare (2012) - „***Dried Spices and vegetable seasonings - Quantitative study on bacterial and fungal flora***” The 51st Annual Scientific Symposium organized by the Faculty of Veterinary Medicine of Iasi, on 7-8 June 2012. Volume 55. of the yearbook USAMV Scientific Papers, Series Veterinary Medicine. p. 646-654
- 2. Gina-Mihaela Pricope**, Viorel Floriștean, Mihai Carp-Cărare (2011) - „***Quantitative study on food additives- bacterial and fungal flora***” Scientific Symposium „Progress and Prospects in Veterinary Medicine” on 16-17 June 2011. Volume 54 of the yearbook USAMV Iași Scientific Papers, Series Veterinary Medicine, p. 195-208;
- 3. Gina-Mihaela Pricope**, Diana Ciolacu, Raluca Nicoleta Darie, Cornelia Vasile (2011) - „***Study on the antimicrobial properties of active packaging based on cellulose, chitosan and polyethylene***” Scientific Symposium "Progress and Prospects in Veterinary Medicine on 16-17 June 2011 Volume 54 (2011) of the yearbook "USAMV Scientific Papers, p.186-194;
- 4. Raluca Nicoleta Darie, Gina-Mihaela Pricope**, Cristian Grigoras, Cornelia Vasile (2011) - „***Active packaging based on polyethylene***” . 10th International Symposium COSMETICS and aromatic "COSMETIC-Progress and Prospects" Iași, Romania, May 31-June 3, 2011. Book of abstract p. 37;
- 5. Diana Ciolacu, Cătălina Cheaburu, Gina-Mihaela Pricope**, Cornelia Vasile (2011) - „***Novel biodegradable materials from cellulose and chitosan with antimicrobial properties***” . 10th International Symposium COSMETICS and aromatic "COSMETIC- Progress and Prospects" Iași, Romania, May31-June 3, 2011. Book of abstract p. 35.
- 6. Cornelia Vasile, Raluca Nicoleta Darie, Elena Paslaru, Lidija Fras-Zemljic, Doina Constantinescu, Gina-Mihaela Pricope** (2011) - „***Polyolefins Antimicrobial Packaging***”. The IUPAC 9th International Conference on Advanced Polymers via Macromolecular Engineering APME 2011”, Nev°ehir, Cappadocia, TURCIA, September 4-9, 2011, Book of abstract p.251.

7. Elena Paslaru, Cornelia Vasile, Lidija Fras-Zemljic, Doina Constantinescu, **Gina-Mihaela Pricope** (2011) - „*Antimicrobial surface modification of polyethylene*”. International Workshop “Novel nanostructured polymeric materials for food packaging and beyond”, Espoo, FINLAND, September 15-16, 2011. Book of abstract p. 27 <http://www.costfa0904.eu/cnr-ictp/>.

8. Elena Pâslaru, Cornelia Vasile, Lidija Fras-Zemljic, Bogdănel Silvestru Munteanu, Adina Coroabă, Matej Bračič, Doina Constantinescu, **Gina-Mihaela Pricope** (2012) - „*Covalent functionalization of PE surface with bioactive components designed food contact application*” International COST Workshop “Novel nanostructured polymeric materials for food packaging and beyond”, Wroclaw, POLAND, September 11-12, 2012. Book of abstract p. 37-39. <http://www.costfa0904.eu/cnr-ictp/>.

9. **Gina-Mihaela Pricope**, Cornelia Vasile, Raluca Darie, Elena Paslaru, Bianca Munteanu (2012)- „*Testing of antioxidative and antimicrobial activity of some new food packagins*”. Conference Faculty of Chemistry Iași, October, 25-25, 2012. CD publication.

10. Cornelia Vasile, Raluca Darie, Anamaria Sdrobis, Catalina Cheaburu-Yilmaz, Ioannis Zuburtikudis, Baklavaridis Apostolos, **Gina-Mihaela Pricope** (2013) - „*Polyethylene - Chitosan Composites and Nanocomposites for Food Packaging*” International Workshop Waedenswil, SWITZERLAND, March 21-22, 2013, COST FA0904, Book of abstract p. 30 <http://www.costfa0904.eu/cnr-ictp/>.
