Name and type of the institution providing education and training	Swine Experimental Station of Trinottieres, Montreuil sur Loire, France
Dates	August 16-September 30, 2004
Qualification / diploma awarded	DSATTY 44/RR Certificate
Name and type of the institution providing education and training	Chamber of Agriculture of Maine-et - Loire, France
Dates	July 23-August 6, 2004
Qualification / diploma awarded	Certificate of specialist in Animal Bio-Ethics
Name and type of the institution providing education and training	Aristotle University of Thessaloniki Greece
Dates	August 15-October 15, 2004
Qualification / diploma awarded	Certificate in the ERASMUS-SOCRATES Program
Name and type of the institution providing education and training	University of Angers, Bioengineering Department, Angers, France
Dates	May 5-June 8, 2003
Qualification / diploma awarded	Certificate in the ERASMUS-SOCRATES Program
Name and type of the institution providing education and training	University of Angers- Technological University Institute, Bioengineering Department, Angers, France
Dates	23 rd - 30 th of May, 2002
Qualification / diploma awarded	Certificate of specialist in Animal Bio-Ethics
Name and type of the institution providing education and training	Polytechnic National Institute of Lorraine – Superior National School of Agriculture and Food Industry, Nancy, France
Qualification / diploma awarded	Master's degree in Management, Marketing and System Optimization, 1990-1991, Master
Main subjects / occupational skills covered	Food Products Management, Food Products Marketing, Food Security and Safety, Food Products Merceology, Lending and Financing

Name and type of the institution providing education and training	'Ion Ionescu de la Brad' University of Agricultural Sciences and Veterinary Medicine of Iași
Level in the national or international classification	National
Business sector	Management and marketing in the animal production and food service
Managerial period	2008-to date
Occupation or position held	Dean
Study period	2009 - 2011
Name and type of the institution providing education and training	State University of Oradea, Faculty of Environmental Engineering
Specialization field	<i>Engineering and Management in Public Service and Agro tourism</i>
Qualification / diploma awarded	Graduate engineer in public service and agro tourism
Dates	2004-2008
Occupation or position held	Chancellor of the Faculty of Animal Breeding,
Main subjects / occupational skills covered	
Name and address of employer	"Ion Ionescu de la Brad" University of Agricultural Sciences and Veterinary Medicine of Iași <i>Faculty of Animal Husbandry, Animal Production Management Chair</i>
Business sector	Academic: scientific research.
Dates	April 1993 – November 1997
Qualification / diploma awarded	PhD Professor in the agricultural and forest sciences
Main subjects / occupational skills covered	
Name and type of the institution providing education and training	"Ion Ionescu de la Brad" University of Agricultural Sciences and Veterinary Medicine of Iași <i>Faculty of Animal Husbandry</i>
Level in the national or international classification	PhD Professor in the agricultural and forest sciences
Dates	1986-1990
Qualification / diploma awarded	Graduate engineer in Animal Husbandry
Main subjects / occupational skills covered	Fundamental subjects: Anatomy, Biochemistry, Cellular Biology, Physiology, Animal Genetics, Computer Science, English Language Specialty subjects: Animal Nutrition and Alimentation, Genetic Amelioration, Animal Reproduction, Technologies of Breeding Domestic Animals, Industrialization of the Animal Products Economic subjects: Management, Marketing, Accounting
Name and type of the institution providing education and training	"Ion Ionescu de la Brad" University of Agricultural Sciences and Veterinary Medicine of Iași <i>Faculty of Animal Husbandry</i>
Level in the national or international classification	Graduate engineer in Animal Husbandry
Dates	1989-1993
Qualification / diploma awarded	High school diploma

Main subjects / occupational skills covered
 General knowledge subjects
 Specialty subjects: Organic and Inorganic Chemistry, Vegetal and Animal Biology
 Name and type of the institution providing education and training
 Forest High School of Novaci- Gorj, 1978-1982
 Level in the national classification
 High school diploma
