

Dear Colleagues,
as we still have problems with EWP, please consider the agreement valid by email.

Dear Dr. Franca Andreola,
Thank you for your email and for the nomination of your students. We will be glad to have them here during the following academic year. I have sent them the relevant information on the application.
In the meantime, though, we would like to renew our inter-institutional agreements with your university. They expired in 2021. Please let me know if you are ready to sign agreements on Dashboard, so we can renew them online.
I look forward to your reply.
Kind regards,
