The admission decision will be made by the faculties by the end of June (autumn semester and full year admission) / end of December (spring semester admission) and the students and the coordinators will be informed directly by email/ordinary post.

3. Each student should ask for an official Transcript of Records personally at the Directorate of Academic Affairs always in the end of the exchange period. If some of the courses are at that time not recorded in the transcript, the final version will be sent to the student or to the home university within one month from the end of the semester. In this case, student should inform the Faculty International Coordinator about the missing courses and contact information.
4. Termination of the agreement

It is up to the involved institutions to agree on the procedure for modifying or terminating the inter-institutional agreement. However, in the event of unilateral termination, a notice of at least one academic year should be given. This means that a unilateral decision to discontinue the exchanges notified to the other party by 1 September 20XX will only take effect as of 1 September 20XX+1.
