

TO THE ATTENTION OF

**Faculty of Veterinary Medicine
Selection Committee**

Recommended criteria for establishing the number of points gained by the candidates who applied for the selection process (the same for all faculties):

Students (mobilities for study and training)

| Nr. crt. | First name and surname | Academic results (average grade for sem. I, current year) | Score in the foreign language test | Final score |
|----------|------------------------|---|------------------------------------|-------------|
| 0 | 1 | 2 | 3 | 4 |
| | | | | |
| | | | | |
| | | | | |

4 = arithmetic mean of all scores, $(2+3)/2$

The lists with the final results for the University are drafted by the Erasmus+ Office.
